

Analog Garage to Hold Boston Innovation Labs Event for Startups

March 27, 2019

BOSTON--(BUSINESS WIRE)--Mar. 27, 2019-- [Analog Devices, Inc.](http://www.analog.com) (ADI) is partnering with BostInno on a special event focused on providing the startup community with an opportunity to network and get connected to local innovation labs. The event is part of BostInno's State of Innovation series and will take place on April 11 from 5:30 PM – 8:00 PM at Analog Garage, ADI's technology incubator. The evening will feature a panel discussion on how start-up companies and entrepreneurs can partner with corporate and nonprofit incubators. Attendees will learn how these incubators are investing in the community, providing local startups with comprehensive support, accelerated knowledge, skill development, a gateway to future customers, and access to investors.

Moderated by Robert Urban, who most recently led Johnson & Johnson's Boston Innovation Center, the panel will include the following speakers:

- Pat O'Doherty, Vice President of Emerging Business Group at Analog Devices
- Thomas Ryden, Executive Director at MassRobotics
- Emily Reichert, CEO at Greentown Labs
- Brian Ulicny, Vice President at Thomson Reuters Labs
- Carrie Allen, Co-founder of AGENCY: The CIC Global Longevity Collective

The event will also include an innovation lab showcase to provide startups and entrepreneurs with an opportunity to talk one-on-one with representatives from some of Boston's most prominent innovation labs.

Analog Garage to Hold Boston Innovation Labs Event for Startups

can be purchased in advance at <http://bit.ly/bostinnoaprilsoi>. Analog Devices is located at 125 Summer St. in Boston, and conveniently located near Boston's South Station. Parking is also available.

The event is open to the public and tickets

About Analog Garage

Analog Garage helps turn disruptive ideas into tomorrow's realities, providing entrepreneurs with a path to propose, explore, and scale new technologies and business models. The incubator partners, mentors, and finances entrepreneurs with ideas that solve hard problems in the real world; the noisy, the messy, the difficult: the analog world.
